Boat Length _____ft. Boat Width _____ft. Boat Model _____

Note: Boat length and width are determined one of two ways per 617.380(7) – First, by the manufacturer’s specification, which shall be used without regard to motors, swim platform, or other appurtenances that add to the dimensions. Second, by physical measurement of the boat. Length shall be measured at the longest part and width measured at the widest part of the vessel.

Note: The Dock Association shall have the discretion to determine the physical boat slip to be used by each individual who has a valid Boat Slip Permit. The Dock Association shall assign slips as to maximize the useable number of boat slips.

Total 2021 slip fees due: \$1,300

Note: Total slip fees include Dock, City, and boat lift storage fees for the dock season. If you are not storing you boat lift at the easements, please subtract \$100 from your fee.

Boat Lift will not be stored at an easement:
