

Memo

TO: Honorable Mayor and City Council Members
FROM: Kristie Elfering, City Engineer

RE: Televising Bids

As directed at the April 2012 City Council meeting, we requested quotes for televising the sanitary sewer mains that have not been rehabilitated. These mains include the cul-de-sacs on Oakridge Drive, Birchwood Courts, White Pine Lane, and Jay Street. Three (3) quotes were received from Contractors interested in providing this service. The quotes include cleaning and televising approximately 2,660 linear feet of sanitary main. The quotes are as follows:

Contractor	Bid Amount
Pipe Services	\$4,202.80
Visu-Sewer	6,251.00
Lametti & Sons, Inc.	9,299.50

The estimate for completion of the work was \$4,200 and the low bid received by Pipe Services appears reasonable. Pipe Services has completed televising for the City on other occasions and we would consider them to be a responsive bidder. We would recommend proceeding with Pipe Services in the amount of \$4,202.80. If you have any questions please feel free to contact me at (763) 780-0450 ext. 2. I will also be in attendance at the May 8th, 2012 Council meeting.
